

Beta Test Program

Join the beta test program to receive a discount

This is a limited edition beta launch for Saluz.io, to test our website systems, collect information about our customers as well as satisfy local demand for the product stock in Mexico. We will have upgraded packaging soon, while we are waiting for our final packaging we offer 33g bags (in powder only), or one month's supply for one person at 800mx or \$40.00, unless you participate in our beta test program.

This discount is only available if you agree to participate in our beta launch discount program.

Our Beta launch discount program provides you a 200mx or \$10.00 discount code monthly as long as you fill out the customer profile, combined with our initial survey.

-Fill out our questionnaire (sent via email)

-Input discount code upon checking out to receive your discount code.

We are all about sharing and connecting the stories of our ingredients to you. Make sure to check out our YOU TUBE page to learn more about our ingredients.
